

Green Mountain Conservation Camp Public Sponsor List 2023

There are many community sponsors across and outside of Vermont who are willing to financially sponsor a child at attend GMCC. Below is a list of our Public Sponsors—sponsoring organizations who encourage parents/guardians looking for financial assistance to reach out to them directly. This is not a complete list of all of our sponsors. There may be organizations willing to sponsor a child who are not listed publicly.

All sponsors are listed based on the county they operate in. This does **not** necessarily mean that they will only sponsor children from that county but is simply to assist in finding a sponsor nearby. Please reach out the sponsor directly to inquire about any requirements they have for campers receiving funding from their organization.
